

After Hurricane Irma

Update #6

The information below has been copied from the CLC FaceBook page in order to update residents who do not follow our community online. Along with a **great tip for FaceBook users** from Ernestine Eisenhower

From Ken Lowden

As of 6 AM this morning Duke Energy reporting For Highlands County
54,209 customers served.....
53,952 without power.....
Customers Restored 3,258.....

Expect power to be restored by 9/17 (Sunday) at midnight.....

They were reporting that they needed to rebuild the electrical grid for Highlands and Hardy Counties.

From Ernestine Eisenhower

Got my internet this morning. We'll see for how long this time.

I so appreciate all your concern
We are fine
House is perfect
Dodged another bullet
Thank you, God!

My heart goes out to those whose homes were damaged, but it sounds like no one was hurt.

If you can, please go to the Facebook Safety Check and mark yourself safe so your family & friends know you're ok.

We all owe a great deal of thanks to so many who are already doing so much to help our neighbors here in CLC. Lots of stories to share with each other in the coming months and some challenging times ahead for many. We are all here for you.

The Marathon station across from Blue Lagoon has gas and is pumping NOW. The Sunoco station across from it just opened, as well. GO NOW!
